RESOURCE GUIDE

2026

WELCOME TO SEWP VI

SEWP VI, launching November 1, 2026, features a ten-year **Period of Performance (PoP)** and expands access to more **Contract Holders** offering an even broader range of **Information Technology, Communication, and Audio Visual (ITC/AV)** product solutions and services. **This NASA SEWP Resource Guide** provides an overview of information, tools, and resources that are available to Federal customers. Over the coming months, **NASA SEWP will continue to enhance its website and tools** to ensure the program continues to meet the needs of the Federal IT community.
